What is the Newham Bereavement Service?
A team of trained volunteers who together with other staff are here to offer practical, social and emotional bereavement support.

Who is the service for?
This service offers bereavement support to adults aged 18 or above living in Newham and/or registered with a GP in Newham. The service is for people who have experienced the death of a family member, relative or another important person in their life.

What does the service offer?
We offer a variety of services to help people as everyone’s needs and feelings vary.

Our volunteers are available to support by providing:
- regular visits, company and a friendly chat
- information including access to other services
- emotional support at times of change or difficulty
- encouragement and support to make a wider network of contacts

What assessment and training do the volunteers receive?
All volunteers are fully trained and vetted. We can provide confidential support on a one to one basis or within a group setting. Our volunteers are not counsellors but have been trained in listening skills.
