Keeping safe at home

Top Tips

1. Never leave your front or back door open when you are in the house.

2. Lock all the doors and windows when you go out.

3. If you go out at night leave some lights on. This makes it look like someone is at home.

4. Get a burglar alarm. This is an alarm that goes off if someone breaks into your house.

5. Keep your garage or shed locked if you have one.
If you get your milk or newspapers delivered to your house then cancel it when you go away.

Check who is at your door before you open it fully.

Don’t open your door if you feel scared. Call your family or a friend for help.

Keep things like phones and computers hidden away.

Make a list of all your important things on www.immobilise.com

This can help the police find your things if they are stolen.

You can ask someone to help you put your things on this website.
